MERRY CHRISTMAS AND HAPPY NEW YEAR!

The Head of the Russian Imperial House, H.I.H. the Grand Duchess Maria of Russia, and H.I.H. the Heir, Tsesarevich, and Grand Duke George of Russia extend their heartfelt thanks to all their countrymen and to friends of Russia around the world, who have sent them their holiday greetings, and likewise send greetings for a Merry Christmas and Happy New Year in 2017, wishing everyone good health, happiness, spiritual strength, and God's help in all their endeavours.

Grand Duchess Maria also warmly thanks all those who have sent birthday greetings. The Grand Duchess and the Grand Duke express their fervent hope that the commemorations in the coming year of the 100th anniversary of the Russian Revolution and the tragic events of the 20th century that the Revolution unleashed will serve not as a source of new strife, accusations, or hardening of hearts, but as an occasion for an objective assessment of the past, an opportunity to foster a spirit of reconciliation and mutual forgiveness, and a moment to reflect upon and recognize the ideas and experiences we together share now and going forward into the future, on the basis of the ancient heritage of our great country.
